

Ref/No/AIMC/HRD/2026/93

Dated: 29-01-2026

RESEARCH PUBLICATION POLICY (REVISED)
Amna Inayat Medical & Educational Complex (AIMC) - Sheikhpura

Objectives & Scope

The purpose of this policy is to promote a culture of quality research, scientific inquiry, ethical publication practices, and dissemination of knowledge among faculty members, students, and researchers of the College.

This policy applies to all faculty members, students, researchers, and staff involved in research activities conducted under the auspices of the Colleges and its affiliated teaching hospital.

Research Ethics

All research involving human participants, animals, shall obtain prior approval from the Research Ethics & Technical Review Committee (RE&TRC) established by the competent authority, representation from all institutes & departments. Researchers shall comply with PMDC, HEC, and international ethical guidelines. Informed consent shall be obtained whenever & where ever is required.

Authorship & Contributions

Authorship shall be based on significant intellectual contribution to the study. Principal Investigator has to provide the justification of contributors' work responsibilities if needed in written form. Guest, honorary, or ghost authorship is strictly prohibited.

Plagiarism

All manuscripts and research reports shall comply with PM&DC/HEC plagiarism regulations. Any form of plagiarism, data fabrication, falsification, or research misconduct shall be subject to disciplinary action.
